Intro to Artificial Intelligence

Business Information Technology Student

Full-Stack Developer · Cashier · Project Support

PROFILE

Highly motivated and adaptable Business Information Technology student with a strong foundation in programming, web development, and accounting principles. Eager to leverage practical experience in customer service, cash handling, and full-stack development to contribute to dynamic projects and drive business success. Excellent teamwork and project management skills, ready to tackle new challenges and learn from experienced professionals.

EXPERIENCE

Cashier Intern

Strathmore University Cafeteria · Nairobi, Kenya · Jun 2024 – Present

- ▶ Provided excellent customer service to students and staff, managing transactions accurately and efficiently.
- ▶ Handled cash and card payments, ensuring the integrity and security of all financial operations.
- ▶ Assisted with basic accounting tasks, including daily reconciliation and reporting, gaining practical experience in accounts operational services.

Support & Management

Ministry of Land · Nairobi, Kenya · Feb 2026 – Aug 2026

- ▶ Secured and managed files and paperwork for the assigned project.

PROJECTS

Full-Stack E-commerce Platform

Strathmore University — Academic Project · Nairobi, Kenya · Jan 2023 – May 2023

- ▶ Developed a fully functional e-commerce website using Django (backend), React (frontend), and PostgreSQL for database management.
- ▶ Implemented user authentication, product catalog, shopping cart, and secure payment gateway integration.
- ▶ Demonstrated proficiency in full-stack development, API design, and database schema creation.

DropEx Logistics Platform

dropexlogistics.com · Global Logistics & Marketplace

- ▶ Contributed to a global logistics and shipping platform combining an online marketplace with live auctions for cross-border deliveries.
- ▶ Built responsive, modern web interfaces to support 50,000+ businesses shipping across 150+ countries with real-time tracking and quotes.
- ▶ Integrated marketplace, auction, and shipment tracking workflows into a unified user experience.

EDUCATION

Bachelor of Business Information Technology

Strathmore University · Nairobi, Kenya · May 2025 – Present

Diploma in Business Information Technology

Strathmore University · Nairobi, Kenya · May 2023 – May 2024

Kenya Certificate of Primary Education

Emmukunzi Secondary School · Vihiga, Kenya · Jan 2019 – Dec 2022
